

## INTERPOL Washington, U.S. National Central Bureau

### **Senior Terminus Project Officer**

**Onika Rosado**

Onika Rosado serves as the Senior Terminus Project Liaison Officer for CARICOM. This position falls under the Border Security Division (BSD) of INTERPOL Washington, the United States National Central Bureau (USNCB). Onika's duties are to support efforts by BSD/USNCB in assisting CARICOM Nations with the implementation of Project TERMINUS. The goal of Project TERMINUS is to strengthen border security of the partner countries by adding to their border management tools.

With over 20 years of law enforcement experience, specializing in targeting and enforcement, encompassing both foreign and domestic operations. As a U.S. Customs and Border Protection Officer, Onika held several positions engaging with International Stakeholders from the Border Five (B5) community: Canada, United Kingdom, New Zealand, Australia, and the United States, to include a detail to the United Kingdom's National Border Targeting Centre. Additionally, Onika was designated as a U.S. representative for the Caribbean Community Secretariat (CARICOM), Caribbean Customs Law Enforcement Council (CCLEC) and the Association of Caribbean Commissioners of Police (AACP). Engagements included providing insight and awareness of the U.S. Customs and Border Protection targeting enterprise, coordination of and implementation of multilateral projects to ensure the safety and security of the international borders within the B5 and Caribbean communities.

Most recently, Onika was assigned to the Area Port of Orlando as the Assistant Area Port Director at the Orlando International Airport (MCO), overseeing all Passenger Operations and Trusted Traveler Programs.
